Great work Fred. Thank you.

Our office did some research and it appears there is no CofO to be operating these businesses at these locations. I submitted a violation request with Building and Safety **#333720, #333722, #333725**. I doubt this will be a magic bullet but I believe a proper CofO may require appropriate off street parking by the Department of Transportation. I will keep an eye on this issue as it unfolds.

Kind regards,

Hi Miki and Donald,

Can you supply me with the address' to the rental car companies that are using street parking inappropriately? We may have an avenue to get some action on this item.
